LICENSING APPEAL ORDER

On August 17, 2011, TDDK, Inc. (applicant) filed a request for an extension of time beyond five (5) licensing years in which to renew the 2010 Class C license with Dance Permit at the above-noted location under administrative rule R 436.1107.

On October 26, 2011, the Commission issued an order which denied the applicant's request because the applicant did not demonstrate good cause to grant an extension of time. The order provided that the cancellation of the license and permit would be effective May 1, 2011.

The applicant submitted a timely request for a hearing in this matter, which was held on December 13, 2011 at the Commission's Lansing office. Representing the applicant at

the hearing was stockholder Tom Harris.

After hearing arguments, reviewing the MLCC file, and discussion of the issue on the record, the Commission tabled the matter on December 13, 2011 and placed it on its January 10, 2012 meeting agenda to allow the Commission time to consider all factors in this request.

After further discussion on the record, the Commission finds that good cause does not exist to grant an extension of time in which to renew the license and permit under administrative rule R 436.1107 inasmuch as the license and permit terminated in escrow effective May 1, 2011.

The applicant's request for an extension of time in which to renew the license and permit under administrative rule R 436.1107 is denied for the reasons stated on the record.

THEREFORE, IT IS ORDERED that:

A. The denial order of October 26, 2011 issued in this matter is affirmed and the license and permit is cancelled effective May 1, 2011.
